PROVIDER POLICIES & PROCEDURES

REFERRAL PROCEDURE

- 1) Each client should access the EAP by calling 1-800-932-0034. If a client contacts you directly, please ask them to use the 1-800 number to obtain a referral. They can request a specific provider.
- 2) The client will be given your name and phone number and will contact you directly to set up an appointment. Please return calls immediately and schedule clients promptly. If you are unable to schedule them within a 72-hour period please call us so that we may refer them to an available therapist.
- 3) ACI will call the provider to notify him/her of the referral and will leave the name of the client, the company name and the number of sessions approved and an authorization number. **The provider will not be paid for unauthorized sessions. Please include authorization number on the program utilization form.**
- 4) Have the client fill out an *ACI Client Intake Form* during their first session.
- 5) After the final session, please complete the *ACI Program Utilization Form* (not a HICF form) and return it, along with a copy of the *Client Intake Form* directly to ACI. Be sure to indicate session dates as well as a brief summary of the problem and what referral was made in the section, "Case Notes." Use an additional sheet if necessary. Payment for services will be processed within 60 days of receipt of *Program Utilization Form*. **THE PROVIDER IS NEVER TO BILL THE CLIENT FOR EAP SERVICES OR COLLECT A CO-PAYMENT.**

PROCEDURES FOR SUPERVISORY REFERRALS

- 1) The supervisor/manager calls ACI about an employee with job performance difficulties. The manager has the employee sign a release of information that allows ACI to discuss the employee's treatment with the supervisor. For such referrals ACI is designated to act as an intermediary between the provider and the referral source. **THE PROVIDER IS NOT TO CONTACT THE MANAGER OR SUPERVISOR DIRECTLY UNLESS INSTRUCTED TO DO SO BY ACI.** EAP providers do not have the authority to excuse employees from work.
- 2) The employee will call ACI to receive a referral to a provider. They will be given the provider's name and phone number and will contact the provider directly to set up an appointment.
- 3) ACI calls the provider to notify him/her of the referral and to provide background information on the employee. ACI will provide the provider with the signed release of information to allow the provider to discuss treatment with the corporation representative, as deemed appropriate.
- 4) The provider will call ACI after the first session to discuss treatment options and to verify the employee's attendance. ACI will relay pertinent information to the supervisor or referral source to inform the workplace of the employee's compliance/non-compliance with the program.

Revised 9/22/11

- 5) Upon completion of the assessment, the provider calls ACI to give final assessment results and treatment recommendations. ACI will relay follow-up recommendations to the workplace.
- 6) After the final session, please complete the *ACI Program Utilization Form* (not a HICF form) and return it, along with a copy of the *Client Intake Form* directly to ACI. Be sure to indicate session dates as well as a brief summary of the problem and what referral was made in the section, "Case Notes." Use an additional sheet if necessary. **THE PROVIDER IS NEVER TO BILL THE CLIENT FOR EAP SERVICES OR COLLECT A CO-PAYMENT.**

NO SHOW POLICY

- 1) ACI will pay for one no-show session at one-half the contracted rate. ACI will only pay for a no-show session if the client does not receive any clinical services. If the client does receive face-to-face sessions with a provider ACI will reimburse for those services only. If a client is a no-show, it is up to the discretion of the provider to reschedule. If a provider chooses not to reschedule with a client they may refer that client back to ACI for an alternate referral.
